EDOCTS feedback from new O6s

Distribute Responsibly - May Contain Sensitive Personnel Info

- Ensure professional conduct at all times. At work and off. Social media inputs, etc.
- Lots of churn at the OPNAV reorg, Administration, new CNO, etc.
- Mission is still clear, deliver ships on time(early), gives warriors the tools they need
- The difference is lots of road blocks can now be removed
- If you feel the pressure to be delivering, you are correct. This is the time for EDOs to shine!!
